

TAB1 (Summary of Current Bavarian Corona Restrictions) to ANNEX A to General Order No. 1H

1. CURRENT BAVARIAN ORDINANCE. (Bav. Ord.) The 15th Bavarian Ordinance containing COVID-19 restrictions was originally enacted on **23 November 2021** and is effective through **19 March 2022**.

2. FFP2 MASK REQUIREMENT. (Bav. Ord. § 1). FFP2 masks are the required masks. Children ages 6-16 may wear surgical masks. Children under 6 are exempt from the mask requirement.

3. CONTACT RESTRICTIONS. (Bav. Ord. § 3). Joint stays in public and private spaces for those who are not vaccinated or recovered are only allowed with members of the same household and up to two persons from another household. Unvaccinated children under 14 years old do not count toward the total. Bars, clubs and discotheques are no longer closed.

4. VACCINATED OR RECOVERED (2G) (Bav. Ord. § 4). The following non-exhaustive list of establishments will only admit those who are vaccinated or recovered:

- Outdoor sports and training facilities, open air events, zoos and botanical gardens,
- Sports facilities, fitness studios, tanning booths, bathing facilities, thermal spas, saunas, amusement parks, tourist excursions on ships, indoor playgrounds, gambling halls, and casinos.
- Closed rooms within the Administration of Bavarian Castles, Parks and Lakes, memorial sites, museums, exhibitions
- Events of political parties and electoral associations
- Cable cars
- Children under 14 years old are exempt from this requirement

5. VACCINATED OR RECOVERED AND TESTED (2G+) (Bav. Ord. § 5a). Those who are vaccinated or recovered AND provide proof of a negative COVID test will be permitted to enter bars, clubs and discotheques. The following categories of individuals are exempt from the testing requirement:

- Those fully vaccinated with an additional booster dose.
- Those fully recovered no less than 28 days and no more than 90 days prior.
- Those fully vaccinated no less than 14 days and no more than 90 days prior.

6. VACCINATED, RECOVERED OR TESTED (3G) (Bav. Ord. § 5). Those who are vaccinated, recovered or tested will be permitted to enter enclosed spaces in restaurants/food service establishments, lodgings, educational facilities, and services where physical contact is indispensable other than medical/therapeutic/nursing services.
